No Stuffed Shirts!

● Behind every good company and every outstanding product, there are real people . . . the kind that stand out in a crowd.

● Here at Toro we try to act like human beings, and not just a bunch of stuffed shirts. All of our boys and girls do their job right, and with a smile.

● We like people and know how to treat them, and that is one reason we sold over $1,000,000 worth of Power Mowers in 1941.
